PETITION

Mail Stop PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby petition to withdraw the Notice of Abandonment dated December 17, 2003 for failure to respond to an outstanding Office Action.

An Office Action was issued March 27, 2003 and received by Merchant & Gould, Applicants' representative. This Action was reported to employees of E-NVENT USA, INC., who were coordinating patent matters. The Chairman of the Board who was authorized to coordinate the handling of the present patent application was never informed of the Office Action. Employees who did not have proper authorization allowed the application to go abandoned. The abandonment occurred due to the confusion regarding ownership of the patent application. Allowing the application to go abandoned was an error and completely unintentional.

A Declaration by Dan Moskovitz, the Chairman of the Board and president of the Assignee of the present application is enclosed. The Declaration outlines the confusion and events that led to the unintentional abandonment of the application. The Declaration of Dan Moskovitz is incorporated herein by reference.

Applicants hereby petition for revival of the unintentionally abandoned application and have enclosed a response believed to put the application in condition for allowance as required under 37 C.F.R. § 1.137(b). The necessary fee of \$665.00 for a small entity accompanies this petition. The entire delay in filing the required reply from the due date for replying until the filing of the grantable petition under 37 C.F.R. § 1.137(b) was unintentional.

Granting of the Petition and Revival of the above identified patent application is hereby requested. A speedy and favorable decision on this Petition is hereby solicited. If a telephone interview would be helpful in this matter, please contact Applicants' representative at (612) 336-4728.

Respectfully submitted,

MERCHANT & GOULD P.C.
